

Idemitsu 4T SL/MA 20W-50

Description

A superior quality all season multi-grade engine oil specially formulated for use in all gasoline, diesel and turbo-charged engines. It has outstanding high thermal and oxidation stability, excellent anti-wear and detergent-dispersant properties. It also gives excellent low temperature starting properties. The special friction modifier added further improves fuel consumption.

Application

Recommended for all 4-stroke motorcycle engines where API: SL & JASO: MA or below are required.

Characteristics

1. Outstanding high thermal and oxidation stability.
2. Excellent detergent-dispersant properties.
3. Prevents corrosion and rust.
4. Special friction modifier effectively improves fuel consumption.
5. Prolongs engine life and improve running efficiency.

Packing

24 x 1 Litre Carton & 200 Litres Drum
